Customer Complaints Policy

We are committed to providing a high-quality service to all our clients. We know sometimes things can go wrong and we take complaints very seriously. Very often misunderstandings can be sorted out on an informal basis, and we welcome the chance to put things right. However, if you feel the problem needs to be looked at and put on an official footing, you can follow our complaints procedure. We will work to put things right for you as quickly as possible; keeping you fully informed during all stages of the procedure.

Learning from complaints

Sometimes we can put things right; sometimes we can only explain ourselves and apologise. Nevertheless, we do want to learn from our mistakes. What you tell us helps to improve our service to you and others. We may ask you for feedback on the service you have received. If you do have any suggestions or ideas on how we can improve, please let us know.
